The Master's Message

Dear Brethren,

Happy Mother's Day! We have a busy May planned with Degree practices for both a Master Mason degree and a Fellowcraft degree planned toward the end of May. Please mark your calendars to come brothers. I strongly encourage you all to come and give your support from the sidelines for these worthy Brothers of ours. As always, we will be having a special dinner before the Master Mason Degree ceremony for Bro. Josh Hendrixson, who recently completed his FC Proficiency. We also expect Bro. Tony Williams to do his EA Proficiency on May 10th and we will have his FC ceremony May 31st.

We have two new Bee Hives as of a few days ago. Thanks to brother Ty Colemere for taking the time to get the Bees up and running, and thanks to WB Wayne Parker for doing a Masterful job building the second hive.

We are planning 3 garage sales this summer to raise funds for our Charity Committee. The first one will be on St John's Day, June 24th, alongside our annual St John's Day Barbeque. It's time, brothers, to start bringing items for these upcoming charity fundraisers.

We will go dark for the summer for the months of June, July and August. Further Light will still meet most Saturday mornings through the summer. Check the website for the specific days.

Fraternally,

Kirk Holwell, Worshipful Master, Garfield 50

Further Light: Masonic Discussion Group

Most Saturdays May through August, check Website

9:30 -11:30 am

Coffee and Breakfast Burritos served.
